

SHOULDER HOLSTERS

Thumb-Break Shoulder Holster

Thumb-Break Shoulder Holster

- Combines advantages of carrying a gun with longer barrel in a vertical position and option for quick drawing from horizontal position
- Delivered for pistols with the 5" barrel length and revolvers with 4" barrel
- Leather quick-closure with riveted snap fastener is opened by forward twitch while grasping the gun by the grip
- Anti-rocking safety of the closure is formed by half-circle perforation around the patent fastener
- Two-piece shoulder holster having upper part reinforced with non-deformable material
- Produced in one side version, one shoulder rig or cross rig
