**Ambidextrous Belt Holsters - 2 Loops**

- Very popular belt holsters comfortable to use with either hand
- Two belt loops provide maximum stability on the belt
- Three sizes - small (201), medium (202), and large (203) - each of them delivered to fit several types of handguns
- Provide very secure fitting and carrying of the handgun
- Double closure with riveted snap fastener adjustable in length and size of compartment using VELCRO strips allowing if necessary handgun retaining over the grip

## Multivariable Belt Holster

fig. 1

### Multivariable Belt Holster

- Ambidextrous, comfortable use for both right and left handers
- Maximum variability of the use allowing 5 positions of holster carrying with gun on the belt (see Fig. 1)
- Double-shell of the holster covers the closure
- Two-piece quick closure adjustable in length and site using VELCRO strips allow retaining of the gun over the grip.
- Closure is provided by removable dual retention provisions
