Ladies bag

Ladies bag with adjustable shoulder strap for concealed carry of weapons or other defensive resources. This pocket has a vertical zip with slider and is intended for carrying a short firearm or other defensive resources (pepper spray, stun gun, money etc.). The weapon is secured in a stable position by a Velcro strip.
It can be worn over the shoulder, but if a weapon is being carried, it is always worn over the chest to prevent the bag and weapon being pulled off the shoulder!
